Summer Weekly Themes

WEEK 1: NATURE & OUTDOOR EXPLORERS

(22nd – 26th June 2026)

Children will explore plants, insects, and the outdoor environment through hands-on activities such as nature walks and leaf collecting, planting seeds in small pots, observing bugs with magnifying glasses, leaf printing and nature collages, and creating their own mini "nature museum."

WEEK 2: JUNGLE & SAFARI EXPLORERS

(29th June – 3rd July 2026)

Children will explore the exciting world of jungle animals and safari adventures through hands-on activities such as animal mask making, jungle sensory bins, a safari obstacle course, animal footprint painting, and a fun "binocular" craft for pretend wildlife spotting. 🌿

WEEK 3: SCIENCE & SPACE EXPLORERS

(6th – 10th July 2026)

Children will explore the wonders of science and space, learning about planets, stars, gravity, and astronauts through fun hands-on activities such as building paper rockets, creating galaxy art, a moon-walking obstacle game, and glow-in-the-dark star discoveries. ✨

The week also includes an **off-campus trip to the Science Museum.**

WEEK 4: OCEAN EXPLORERS

(13th – 17th July 2026)

Children will dive into the fascinating world of sea creatures and underwater adventures through hands-on activities such as ocean sensory bins, fishing games, sea animal crafts, bubble science play, and creating a colorful underwater mural.

WEEK 5: AROUND THE WORLD EXPLORERS

(20th – 24th July 2026)

Children will "travel" to different countries and explore cultures, food, and traditions. They will create explorer passports, make flag crafts, enjoy cultural music and dance, play a pretend airplane travel game, and taste simple international snacks.
